

Commencing 15 March 2010

## No out-of-pocket pathology expenses for most hospital inpatients referred to Western Diagnostic Pathology.

Most health fund holders, including HBF, Medibank Private and MBF, can now enjoy no out-of-pocket expenses for inpatient pathology tests performed by Western Diagnostic Pathology on Medicare Rebateable tests.

See reverse for a full list of participating health funds.

# Western Diagnostic Pathology has agreements with the following health funds; all patients who have cover with these health funds enjoy no out-of-pocket costs for Medicare rebateable inpatient pathology services:
