Rec. by: _____

MEDICARE ASSIGNMENT (Section 20A of the Health Insurance Act 1973) I offer to assign my right to benefits to the approved pathology practitioner ("APP") who will render the requested pathology services and any eligible pathologist determinable service(s) established as necessary by the practitioner. In the event that I am issued with an account for those services, I also authorize that APP to submit my unpaid account to Medicare so that Medicare can assess my claim and issue me a cheque payable to the APP for the Medicare Benefit.

Practitioner Use Only:
(Reason patient cannot sign)

PATIENT'S SIGNATURE AND DATE

PERSON DRAWING BLOOD TO COMPLETE:
I certify that the blood specimen accompanying this request was drawn from the patient stated as established by direct enquiry of the patient and/or inspection of the ID wrist-band, and that specimen was labelled immediately. I have also signed the sample tube.

Respiratory bookings www.wdp.com.au

PLEASE REFER TO www.wdp.com.au for current collection centre details (current as at December 2020).

Your treating practitioner has recommended that you use Western Diagnostic Pathology. You are free to choose your own pathology provider. However, if your treating practitioner has specified a particular pathologist on clinical grounds, a Medicare rebate will only be payable if that pathologist performs the service. You should discuss this with your treating practitioner.

PRIVACY NOTE: The information provided will be used to assess any Medicare benefit payable for the services rendered and to facilitate the proper administration of government health programs, and may be used to update enrolment records. Its collection is authorised by provisions of the Health Insurance Act 1973. The information may be disclosed to the Department of Health and Ageing or to a person in the medical practice associated with this claim, or as authorised/required by law.
